### STREAM D - PROFESSIONAL EVENTS (2024-2025)

#### Guidelines - Summary

The **Industry Development** program aims to develop the skills of Tasmanian screen practitioners, recognising that highly-skilled and experienced professionals are vital for the long-term growth of the local screen industry.

#### SUMMARY

Funding is available to eligible applicants for either: • hosting a professional event; • or attending a professional event.

#### At a glance:

Professional events are defined as any of the following that align with the internal strategy and priorities of Screen Tasmania's Industry Development program, such as:

- labs;
- workshops;
- incubators;
- masterclasses;
- mentorships;
- conferences;
- screen and gaming seminars;

If hosting an event, funding will be prioritised according to the training component, followed by speaker's fees, travel and venue hire. It will not extend to company operational expenditure.

- For smaller companies and incorporated associations funding is capped at \$2,500 per event or \$5,000 per organisation for a series of events per financial year.
- For larger organisations with a demonstrated history of success, there is no yearly cap. The amount of funding available for proposals is limited by program funds.

We reserve the right to vary these Guidelines as necessary. In exceptional circumstances, we also reserve the right to set aside some or all of the requirements.
